IMPORTANT DISCUSSIONS AND ACTION TAKEN

January, 1952

Chicago, Illinois

Members of the Extension Subcommittee on 4-H Club Work present:

- C. B. Wadleigh, State 4-H Club Leader, New Hampshire, Chairman
* Geraldine G. Fenn, Assistant State 4-H Club Leader, Montana, Secretary
Aubry Scott, Assistant State 4-H Club Specialist, Tennessee
Pauline Rowe, Assistant State 4-H Club Leader, Vermont
G. A. Lineweaver, State 4-H Boys' Club Leader, Iowa
Burton S. Hutton, State Extension Agent, 4-H Club Work, Oregon
Mrs. Kathryn VanAken Burns, Director, Home Economics Extension,
University of Illinois, representing the Committee on Extension
Organization and Policy
** C. W. Ferguson, Director of Extension, Ohio State University,
representing Extension Committee on Organization and Policy
Walter S. Brown, Director of Extension, University of Georgia,
Director-at-Large representing all Extension Directors
Gertrude L. Warren, Organization of 4-H Club Work, Extension Service,
United States Department of Agriculture
George S. Foster, 4-H Field Agent, Southern States, Extension Service,
United States Department of Agriculture

* Train delayed; entered meeting afternoon of first day.

** Left meeting after first day.

Others who appeared before the Subcommittee:

1. Representatives of National Committee on Boys and Girls Club Work

G. L. Noble	Mabel Smith
Kenneth H. Anderson	Leon McNair
T. W. Thompson	Irvin Johnson
	Lester Troeger

2. National 4-H Club Foundation of America, Inc.

E. W. Aiton

3. American Camping Association

Dr. Robert McBride

The first session of the Extension Subcommittee on 4-H Club Work was called to order by Chairman C. B. Wadleigh at 10:00 A. M., Wednesday, January 23, 1952, in room 523, The Conrad Hilton Hotel, Chicago, Illinois.

Mr. Wadleigh introduced and welcomed the new members: Pauline Rowe, Vermont, and Burton S. Hutton, Oregon. Miss Scott served as secretary until Miss Fenn arrived. The minutes of the November meeting were approved.

With a brief explanation, Mr. Wadleigh distributed copies of information on the origin and development of the Extension Subcommittee on 4-H Club Work.

First order of business was the presentation of the following reports:

PROGRESS REPORT ON POLICY STATEMENTS PREVIOUSLY APPROVED

Miss Warren presented each Subcommittee member with a collection of material on Extension 4-H Club policies including relationships with other youth groups and organizations.

ACTION This work was commended. Mr. Lineweaver moved, it was seconded
TAKEN and carried unanimously, that a committee of five be appointed to assemble a well-indexed compilation of policies for reference. Members appointed are Miss Warren, Chairman; Edna Troth, Indiana; Alice Carlson, Oklahoma; Albert Hoefer, New York; and W. A. Sutton, Georgia.

STUDY OF DEVELOPMENTS NEEDED TO FURTHER STRENGTHEN THE NATIONAL AWARDS PROGRAM

Mr. Lineweaver reported that this study had been subdivided into three sections and that each met during the last National 4-H Club Congress.

1. "Development of a Criteria for Appraising a 4-H Awards Program"--Lineweaver, Foster, Anderson, Alice Carlson-Oklahoma, and Rollyn Winters, New Jersey.
2. "Development of a Policy and Plan of Awards in Keeping with Sound Education Principles"--Hutton, Foster, Thompson, Fay Roark--Louisiana, and W. A. Skelton, Virginia.
3. "Review of Present Procedures and Forms used and Recommend the Simplest Ways"--Rowe, Foster, Emmie Nelson, Agnes Hansen-Wisconsin; and Kenneth McKee--Arizona.

ACTION Each section chairman gave a progress report which was discussed
TAKEN and accepted unanimously. Further progress will be reported at the next meeting in June.

REVISION OF STATISTICAL REPORT (ES 21)

Mr. Wadleigh asked for discussion of the proposed revisions in light of the information received by the regional representatives. Mr. Foster reported that plans are underway for a major revision of ES-21 in 1953. Therefore, all suggestions for changes in the 4-H sections should be presented immediately.

ACTION Mr. Lineweaver moved, it was seconded and carried unanimously,
TAKEN that each regional representative tabulate the reports for his region and give them to the chairman who will send a summary to M. C. Wilson.

BASIC ALLOTMENTS FOR NATIONAL 4-H CLUB CONGRESS

The report was discussed at length, and it was agreed that it was inadvisable to make any changes at this time.

POLICY REGARDING INTERNATIONAL JUDGING TEAMS

A committee composed of Milo Downey, Maryland, Chairman; Ira Hollar, Oklahoma; P. C. Taff, Iowa; and C. G. Staver, Colorado are to review all policies and bring a final or progress report to the next Subcommittee meeting in June.

NATIONAL 4-H CLUB HEALTH COMMITTEE

Mr. Foster submitted names for the proposed committee. This included representation by State 4-H Club Leaders, Extension Health Specialists, Federal Extension Service, National Committee on Boys and Girls Club Work, and the Kellogg Company.

ACTION Mr. Hutton moved, it was seconded and carried unanimously, that
TAKEN the chairman complete arrangements for this committee which would review the 4-H health program and make recommendations for improvement. It is hoped that this can be completed in time for the meeting of Extension Health Specialists in Denver in March.

USE OF GOLD 4-H KEY AND SILVER 4-H KEY

GOLD 4-H Key

- A. To be awarded by the National 4-H Club Camp to members of State 4-H staff who have completed 25 years in the Cooperative Extension Service. Presentation to be made at the National 4-H Camp.
- B. On written order of the State Club Leader only, to be available for purchase by county 4-H Club agents who have completed 25 years in the Cooperative Extension Service.
- C. On written order of the State Club Leader only, to be available for purchase by assistant county Extension agents who have completed 25 years as an assistant county Extension agent and who, according to records in the State Extension office, have for each of 25 years devoted not less than 75 per cent of their time to 4-H Club Work.
- D. On written order of the State Club Leader only, to be available for purchase by county Extension agents who have completed 25 years as a county extension agent and who, according to records in the State Extension office, have for each of 25 years devoted not less than 40 per cent of their time to 4-H Club Work.

SILVER 4-H Key

- A. On written order of the State Club Leader only, to be available for purchase by members of State 4-H staff who have completed 10 years in the Cooperative Extension Service.

- B. On written order of the State Club Leader only, to be available for the purchase by county 4-H Club agents who have completed 10 years in the Cooperative Extension Service.
- C. On written order of the State Club Leader only, to be available for purchase by assistant county Extension agents who have completed 10 years as an assistant county Extension agent and who, according to records in the State Extension office, have for each of 10 years devoted not less than 75 per cent of their time to 4-H Club work.
- D. On written order of the State Club Leader only, to be available for purchase by county Extension agents who have completed 10 years as a county Extension agent and who, according to records in the State Extension office, have for each of 10 years devoted not less than 40 per cent of their time to 4-H Club work.

ACTION Mr. Lineweaver moved, it was seconded and carried unanimously,
TAKEN that the suggested plan be presented to the State 4-H Club Leaders at the 1952 National 4-H Club Camp and become effective immediately if accepted.

NEW PROJECTS OR ACTIVITIES TO ADVANCE AND STRENGTHEN 4-H CLUB WORK

Miss Scott reported that members of her committee had been notified of their assignment, had accepted, and were asking each state for lists of activities or projects needing sponsorship. These will be tabulated and presented at the next meeting.

MAKING THE WORK OF THE EXTENSION SUBCOMMITTEE ON 4-H WORK MORE EFFECTIVE

As directed, Miss Feen had circulated all present and former Subcommittee members--48 in number--to get their ideas concerning certain suggested procedures which had been set down in mimeographed form. She summarized the reactions from the 17 who responded.

ACTION Mrs. Burns was requested to secure the "charter" of purpose given
TAKEN us by the Extension Committee on Organization and Policy so it could be included in the proposed manual.

The committee consisting of Albert Hoefer, New York; W. A. Sutton, Georgia, Edna Troth, Indiana; and Alice Carlson, Oklahoma will be asked to work with Miss Warren, Chairman, continuing to gather all policies established to date and to put them in a form suitable for the proposed manual.

Mr. Lineweaver moved, it was seconded and carried unanimously, that we ask the Committee on Organization and Policy to consider renaming our committee as "Extension Committee on 4-H Club Work".

Director Brown moved, it was seconded and carried unanimously, that Miss Fenn be commended, that this be accepted as a progress report, and that she revise the material according to the suggestions given.

This concluded the reports. The Wednesday afternoon session was held with representatives of the National Committee on Boys and Girls Club Work. In his comments, Mr. Noble urged that every consideration be given to strengthening the 4-H Club program on local, state, and national levels.

4-H ALUMNI RECOGNITION PROGRAM

Mr. Anderson reviewed the program, and changes were made as suggested by the Subcommittee.

ACTION Mr. Lineweaver moved, it was seconded and carried, that we accept
TAKEN the proposal and present it to the Committee on Organization and Policy at their next meeting.

NATIONAL 4-H ACHIEVEMENT AWARDS PROGRAM

Mr. Anderson reported changes in this program which in 1952 will be sponsored by the Ford Motor Company. Perhaps additional modifications will be made in the future.

County	-	Increased to 4 medals
State	-	Remains two pair of miniature statues
Sectional	-	Increased to 16 trips to National 4-H Club Congress
National	-	Increased to 12 scholarships of \$300.00 each

ACTION Mr. Hutton moved, it was seconded and carried unanimously, that
TAKEN Mr. Anderson be commended and this be accepted as a progress report.

NATIONAL 4-H CLUB CONGRESS

Mr. Anderson presented each Subcommittee member with copies of the National 4-H Club Congress in Retrospect (comments from letters) and stated that it was gratifying to receive these letters. He gave the following data on the 1951 Congress.

Total registration		<u>1958</u>
State Delegates	1213	
Chaperones	165	
Official Delegates and Official Committees		1414
Press and Radio		243
Other Guests		299

Next the Subcommittee reviewed each of the reports of the official committees for the 30th National 4-H Club Congress. These suggestions were added:

ACTION Arrange for the chairman of the Orientation Committee to appear
TAKEN on the National 4-H Club Congress program.

Mr. Hutton moved, it was seconded and carried, that Chairman Wadleigh be authorized to write all State 4-H Club Leaders and Extension Directors calling their attention to the feeling of the Extension Subcommittee on 4-H Club Work that it is the

responsibility of each state to maintain good conduct on the part of all 4-H Club members in Chicago at the time of the Congress regardless of whether or not they are delegates or attending any other official function.

It was deemed desirable to have a 4-H Club band again if one could be obtained and that such be selected from applications submitted by the states.

It was strongly urged that all states be made aware of this statement from the Press, Radio, and Television Committee: "Many 4-H Club members are poorly informed on 4-H work and the general extension program, sometimes to an embarrassing degree. They cannot explain what 4-H Club work is when suddenly confronted with a question. Simple instruction in the nature of 4-H Club work, its goals and objectives, and its place and size in each member's own state would be desirable for all delegations. This might even be done on the train en route to Congress, if necessary or at special sessions early in the week. Of course, much of the orientation should preferably be done earlier in the county Extension program."

It was agreed that this should also be referred to the Orientation Committee.

Miss Warren moved, it was seconded and carried unanimously, that we recommend consideration be given to allowing previous winners to attend Congress the following year if unable to attend previously (on the basis of valid reasons).

Mr. Lineweaver moved, it was seconded and carried unanimously that we recommend national and sectional winners not be able to attend a second time as state winners.

Mr. Lineweaver moved, it was seconded and carried unanimously, that in 1953 the date for records to be in Chicago be moved to October 25 instead of November 1.

The committee appointed to be in charge of the 4-H Delegates' Program is the following: G. A. Lineweaver - Chairman, Burton S. Hutton, Gertrude L. Warren, Director J. Earl Coke, and 3 others to be selected by Lineweaver to direct group discussions.

The committee in charge of the State 4-H Leaders' Program is the following: Aubry Scott - Chairman, Pauline Rowe, Mrs. Kathryn Van Aken Burns, and Director Walter S. Brown.

The session Wednesday evening began with reports from Director Ferguson and then returned to discussions with the National Committee on Boys and Girls Club Work.

REPORT OF DIRECTOR FERGUSON FROM JANUARY MEETING OF EXTENSION COMMITTEE
ON ORGANIZATION AND POLICY

The Committee on Organization and Policy approved the acceptance for 1952 of four \$300.00 scholarships offered by the Chicago Defender for 4-H members in the 17 states having Negro Land-Grant Colleges. At the June

meeting, the Subcommittee will consider any offers of this nature beyond 1952.

A progress report on the 4-H Study Committee--composed of Director C. W. Ferguson, Ohio, Chairman; Miss Norma Brumbaugh, Oklahoma; and Director H. O. Stewart, Rhode Island--pointed out that the Exploratory Committee which met December 7, 1951 had a most interesting session.

The 4-H Study Committee recommended and the Committee on Organization and Policy approved:

1. That the National 4-H Club Foundation be asked to assume responsibility for finding financial support for a study of two parts--
 - a. To find and reduce to usable form what is now known
 - b. To determine the voids in our present information and develop a plan for studies to fill out these voids.
2. That the funds be administered and the project be generally supervised by the National 4-H Club Foundation
3. That Dr. Ralph Tyler's assistance be secured as a counsellor for the study
4. That the Exploratory Committee be continued in an advisory capacity
5. That the possibility of correlating this study with a program proposed by ACE be considered

Director Ferguson suggested that our recommendations to the Committee on Organization and Policy be submitted to the Chairman in writing. The next meeting of the Committee on Organization and Policy will be held April 17-19, Chicago.

Director Earl Coke, California, has been appointed to replace Director Ferguson on the Extension Subcommittee on 4-H Club Work and is scheduled to join the Committee for the next meeting.

The major portion of Thursday's session was devoted to ideas for the advancement of youth through 4-H. A great number of miscellaneous items also came before the Subcommittee.

IDEAS AND SUGGESTIONS FOR PROGRAMS OF GREATER SERVICE TO RURAL YOUTH

A vast number of ideas came from the pooling of suggestions by Subcommittee members and representatives of the National Committee on Boys and Girls Club Work and the National 4-H Club Foundation.

Chairman Wadleigh divided those present into two groups which took time to (1) screen the ideas and (2) suggest how we could get into action on the most important or urgent ideas.

Seven areas were centered upon:

Urgent

1. Need for doing something definite about increasing the Federal 4-H Club Staff and getting action on our desire for a National Director of 4-H Club Work
2. Need for additional finances to do the job
3. Consideration of having the event at the nation's capitol be the apex of our program in leadership training, program planning,

and citizenship, in which case plans could be made for representation of Local 4-H Leaders and broadening the base of 4-H member representation

Important

4. Need to develop a program around the needs of all young people emphasizing urban and rural nonfarm
5. Need to launch definitely into a citizenship program
6. Need for a broad training program for agents and volunteer leaders
7. Need to review certain selected project programs to determine just how training, promotion, and evaluation can best be done

The group on organization or operation suggested a list of all groups where "seeds could be planted" and some of the devices that could be used.

Chairman Wadleigh was directed to allocate these seven areas to various ones for further exploration. Mr. Foster suggested that these ideas serve as the basis for the 4-H Leaders' Program at National Camp.

Persons assigned to these areas were as follows, with others to be added by the chairman in each case:

- Areas 1 and 2--Burton Hutton, Oregon; Director J. Earl Coke
Area 3--Geraldine G. Fenn, Montana; George Foster
Area 4--Pauline Rowe, Vermont; Mrs. Kathryn Van Aken Burns
Area 5--C. B. Wadleigh, New Hampshire; E. W. Aiton; Gertrude Warren;
W. E. Skelton, Virginia; Mary Jean Lee, Connecticut
Area 6--Aubry Scott, Tennessee; Director Walter S. Brown
Area 7--G. A. Lineweaver, Iowa

Other areas which were "tossed" into the thinking but not included on the "urgent" list at this time were the following:

1. Increasing 4-H Club membership
2. Improvements in field of communications--visual aids, films, slides, publications, radio, and television
3. Increased adjustments in 4-H Club programs for age groupings
4. Re-examining of awards and incentives on basis of age groupings
5. Need for basic training in human relationships
6. More opportunity for the 326,000 Negro 4-H Club members
7. Study of question "What kind of boys and girls do we want?"
8. Modification of mechanics which are stumbling blocks
9. Consideration of efficiency in relation to the load which agents are asked to carry
10. Preparation and help for parents

CITIZENSHIP PROGRAM IN 4-H

Mr. Aiton reported on contacts made with the Citizenship Project at Columbia University and the Fund for Adult Education of the Ford Foundation.

ACTION After discussion, further action on this area was that Mr. Hutton
TAKEN moved, it was seconded and carried unanimously, that a committee be set up to study possible plans for a citizenship program and give a progress report at the next meeting. The committee is C. B. Wadleigh - Chairman, W. E. Skelton, Mary Jean Lee, Gertrude Warren, and E. W. Aiton.

PROPOSED IN-SERVICE TRAINING PROGRAM IN HUMAN RELATIONS

A proposal to provide 50 Extension workers with training scholarships in Human Relations and Human Development Education, in 1952, was reviewed by Mr. Aiton.

ACTION Miss Scott moved, it was seconded and carried unanimously, that
TAKEN we accept the proposal.

PROGRESS REPORT ON AUTHORIZATION FOR USE OF 4-H EMBLEM AND INCIPIENT

ACTION After considerable discussion, Miss Warren moved, it was seconded
TAKEN and carried unanimously, that a Committee be formed to set up standards for guidance in the authorization for use of the 4-H emblem and name, including calendars. The committee is George Foster—Chairman, W. A. Sutton, Lucille Graves, one or two Directors appointed by Director Tootell, Mabel Smith, and E. W. Aiton.

COMMEMORATIVE 4-H STAMP

Director Ferguson reported that over 400,000 first-day covers were cancelled in Springfield, Ohio, and that the Post Office Department had to employ 40 extra workers for the job.

UNESCO MEETING AND 4-H CLUB WORK

Miss Warren stressed the emphasis being given to youth participation and planning. We will be represented at the meeting January 27-31, Hunter College, New York City by Mr. Wadleigh, some nearby State 4-H Club people, and two IFYE's.

BICYCLE SAFETY PROGRAM

Discussion brought out that this would be helpful for urban and suburban work and suited for the younger age group. There was a question raised about whether or not it could be an integral part of the present safety program.

ACTION Mr. Lineweaver moved, it was seconded and carried unanimously,
TAKEN that the suggestions be sent to the states by the regional representatives so desiring, for review and suggestions.

USE OF 4-H CLOVER AWARDS

It was pointed out that there were instances of states not conforming to the clover awards plan as originally adopted. Kenneth Anderson suggested that the National Committee on Boys and Girls Club Work put a card or paper in each shipment of pins giving the policy and spirit behind the idea and suggestions for ways of presentation.

ACTION Miss Warren moved, it was seconded and carried unanimously, that
TAKEN this be tabled until the next meeting so that more information on the subject could be gathered for purposes of clearer interpretation.

1953 NATIONAL 4-H CLUB WEEK POSTER

The Subcommittee reviewed two sketches submitted by The Spool Cotton Company and made suggestions.

POSSIBILITY OF A FARM MACHINERY PROGRAM

ACTION Mr. Lineweaver moved, it was seconded and carried unanimously,
TAKEN that we designate the tractor maintenance literature committee to explore the possibilities of a farm machinery program and study its relationship with field crops as well as tractor maintenance. This committee consists of A. G. Kettunen-Chairman, A. T. Holman, L. W. Hurlbut, M. K. McGregor, Dale O. Hull, James M. Patterson, B. L. Patton, C. N. Hinkle, Kenneth H. Anderson, John M. Johnson, Ralph R. Parks, and L. O. Palmer.

MAKING INVITATIONAL 4-H POULTRY JUDGING CONTEST AN OFFICIAL NATIONAL EVENT

ACTION Mr. Hutton moved, it was seconded and carried unanimously, that
TAKEN this matter be tabled until the next meeting to give an opportunity for the regional representatives to poll the states regarding their sentiments.

4-H GRAIN MARKETING AWARDS PROGRAM

Kenneth Anderson reviewed this program which in 1952 will operate in Colorado, Iowa, Kansas, Illinois, Indiana, Oklahoma, Texas, and Missouri. The idea met with the approval of the Subcommittee. There was some discussion on encouraging this to be a part of and an implementation to the crops production work.

AMERICAN CAMPING ASSOCIATION CONVENTION

This convention will be held April 16-19 in the Conrad Hilton Hotel, Chicago. Dr. Robert McBride of this association was introduced to the Subcommittee. He expressed pleasure that a section on Extension camping would be one of the kindred group meetings being planned for the first day of the convention.

Our 4-H Recreation and Rural Arts Committee is working actively on plans for the Extension section, and T. W. Thompson reported that the most comprehensive program to date is being prepared.

TEN BEST GAMES SURVEY

Mr. Foster reported on the survey to gather the 10 best games being used in 4-H. These games will be assembled into a publication to be made available by the United States Rubber Company.

4-H PROGRAM IN COOPERATIVE EDUCATION

Mr. Foster brought the group up to date on developments and urged study of the information so more consideration could be given at the next meeting.

PUERTO RICAN EXCHANGE

Mr. Foster reported that he will accompany nine young people from eight states to Puerto Rico for a six weeks' exchange. Later, a similar number from there will come to the States.

NATIONAL 4-H THEME

Miss Warren summarized the suggestions from the states and discussion followed.

ACTION Miss Rowe moved, it was seconded and carried unanimously, that
TAKEN "Working Together for World Understanding" be used for 1953 and 1954 and that then consideration be given to extending it even longer.

PUBLICATIONS AND CREED

ACTION Mr. Hutton moved, it was seconded and carried unanimously, that
TAKEN Miss Warren be highly commended for the new publication, "Building a Better America Through 4-H Clubs".

A new printing of bulletin 320, "Organization of 4-H Club Work" is being run. In this connection, there was considerable discussion of the 4-H Club Creed. It was suggested that consideration to the best use of the former creed be given if the one by Dr. C. B. Smith is formally approved by the Committee on Organization and Policy.

NATIONAL 4-H CLUB CAMP

Lengthy discussion centered on ideas for this event. Because the camp will follow the same general plan, only new items are reported here.

1. The registration fee may be increased somewhat.
2. One of the 1951 members of the Delegates' Advisory Committee will be invited to chairman the new 1952 delegates' committee.
3. There may be a presentation by states to "Share and Care".
4. The 4-H Leaders' Program will center upon perhaps five of the areas selected by the Subcommittee in this meeting as being urgent and important.

NEXT MEETING OF 4-H SUBCOMMITTEE

The next meeting will be held in Washington, D. C., beginning the afternoon of June 16, continuing all day (and evening if necessary) on June 17 and such other times during the week as needed. This date avoids conflict with the National 4-H Club Foundation meeting June 18 and the Committee on Organization and Policy meeting June 19 and 20.

ITEMS FOR THE NEXT AGENDA

The following items will appear on the next agenda, plus those added by the regional representatives and others.

1. All committees appointed to give reports
 - a. Approved Policies - Miss Warren
 - b. National Awards - G. A. Lineweaver
 - c. International Judging Teams - Milo Downey
 - d. 4-H Health Committee - Chairman
 - e. More Effective Subcommittee - Geraldine Fenn
 - f. New Projects and Activities - Aubry Scott
 - g. 4-H Study - Director Ferguson
 - h. Areas for Programs of Greater Service - All Chairmen
 - i. Authorization of 4-H Emblem, Ensignia - George Foster
 - j. Exploration of Farm Machinery Program - A. G. Kettunen
2. Discussion of developments in revising ES 21
3. Voting by State Leaders on use of gold and silver keys
4. Consideration by State Leaders of best uses of former creed
5. Review of special items submitted to Committee on Organization and Policy for approval
6. Chicago Defender scholarships beyond 1952
7. Bicycle safety program
8. Poll re: poultry judging contest
9. 4-H program in cooperative education
10. More information on clover awards
11. Report of UNESCO meeting
12. Relationships with other groups
13. Developments in National 4-H Club Congress program

Reported by:

Geraldine Fenn
Aubry Scott
